

WEEK \Rightarrow 6. (TAT).

Rohan had completed his homework and all the task that he have decided and right now he was not studying he was playing games to relax. His Father searched home. and seeing this he became really angry and started scolding him. it made Rohan feel really bad, as his father did not know that he was studying before this.

Rohan immediately left the house and went out crying. Father asked Mother and came to realize that his too early reaction was not good without knowing the whole thing.

Rotan Father immediately went out to find his son and with the lantern he is looking around to find him.

He found Rotan and apologised him for his too early reaction.

Mother sitting near the window ~~is~~
thinking by herself about when
she is going to visit her children
who lived with their father, she
being a teacher works really hard
day and night to earn living for
this family and help in their
son higher education, Ram is also
working hard. ~~They~~ so that
one day he could bring back
the glory of the house again
where all the family would
live ~~to~~ under the same roof.
The one day ~~he~~ got a job
interview. I asked it he told
his mother about it & due to
the happiness ~~he~~ just keeps on
mother

thinking about how her hardwork
had really paid off.
